Always on the cutting edge of the litigation support front, and Olender Reporting is there – yes, really *IN LATIN AMERICA* – for your litigation needs.

Our traveling reporters and those reporters who actually live internationally have a wealth of experience and energy for the rigors of international court reporting, and leap at the chance for realtime hookups and quick turnarounds, specializing in working alone or as a tag team on trials and deposition work, troubleshooting with LiveNote, Eclipse Bridge, Stenograph CaseView and Summation realtime software.

We bring you the best-of-the-best reporters, videographers and interpreters, and are happy to supply résumés at your request, along with country-specific recommendations from personal experience.
